## MEDICINAL.

**\$500  
Reward  
For  
Women  
Who  
Cannot  
Be  
Cured.**

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Prolapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

"I used four bottles of your 'Favorite Prescription' and one of 'Golden Medical Discovery,' writes Elmer D. Shearer, of Moulton, Lancaster Co., Pa., and can say that I am cured of that dreaded disease, uterine trouble. Am in better health than ever before. Every one who knows me is surprised to see me look so well. In June I was so poor in health that at times I could not walk. To-day I am cured. I tell everybody that Dr. Pierce's medicines cured me."

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 31 cent stamps for the cloth-bound volume. Address World's Dispensary Medical Association, Proprietors, Buffalo, N. Y.

## JAPANESE AGAIN VICTORIOUS.

The Russians, under Lieut. Gen. Stakelberg, have been enveloped by the Japanese and forced to abandon their guns and were completely routed. Fourteen quick-firing guns were captured by Japanese. The fighting lasted three days, and Gen. Stakelberg admits his heavy loss. The Japanese are advancing from Siyuon to take his forces in the rear.

Emperor Nicholas has received the following telegram, dated June 16, from General Kuropatkin:

"I have received the following dispatch from Lieutenant General Baron Stakelberg, dated June 16, 1:20 a. m. Yesterday I had intended to attack the enemy's right flank, but just as our troops had been assigned for the purpose and were beginning to successfully envelop the enemy's right flank, the Japanese, in their turn, attacked my right flank with superior forces, and I was compelled to retreat by three roads to the north. Our losses are heavy, but they are not yet completely known.

During the engagement the Third and Fourth batteries of the First Artillery Brigade were literally cut to pieces by the Japanese shells. Of 16 guns, 13 were rendered completely useless and were abandoned. The conduct of the troops was excellent, a large proportion of them refusing to retire until after they had been repeatedly ordered to do so."

The keenest interest is now manifested in St. Petersburg in the reported advance of two Japanese divisions from Siyuon with the intention of attacking General Stakelberg in the rear. It is realized that this report should prove true the Russian commander may be unable to extricate himself, and that if he should be cut off from General Kuropatkin's main army the fate of the detachment would be sealed.

All doubt as to the sinking of the transports Hitachi and Sado by the Russians has been removed. Three hundred and ninety-seven survivors of the Hitachi have arrived at Moji, and 153 survivors of the Sado have arrived at Kikuri. It is reported that the transports Hitachi and Sado carried only 1,400 men. If this is true, the loss in lives is probably less than 1,000. The transports, however, had many horses and large quantities of supplies on board.

Details obtainable from the survivors of the ill-fated Japanese transports show that the Hitachi and the Sado met three Russian warships near Iki Island at 10 o'clock Wednesday morning. The Russians fired on the Japanese ships and stopped them, and soon afterward they torpedoed and sank the helpless transports.

**Pranks of Lightning.**  
During a severe electrical storm yesterday afternoon lightning played queer pranks in the New Castle county, Del., Courthouse, but the big building was not damaged. A damage case was being heard when lightning struck one of the electric wires leading into the building. Three balls of fire descended through the roof and down an immense chandelier directly above the desk used by court officers. The courtroom was transformed into a blaze of light so dazzling as almost to be blinding.

Chief Justice Lore and Justices Grubb and Pennell leaped to their feet, for the chandelier was but a yard from the bench, and lawyers and jurors excitedly darted from their chairs, and some of the lawyers ran from the courtroom.

One of the balls of fire struck the speaker of the Prothonotary Frank L. Speakman, who was directly beneath, but did not injure him. For an instant Mr. Speakman was so affected by the incident that he could not move from his dangerous position.

In the office of County Treasurer Rette a ball of fire tore an electric light socket from the wall, and in other offices the fiery bolts passing along wires cut out telephones and messenger calls.

John H. Hooten, a watchman for the Philadelphia, Baltimore and Washington Railroad, was knocked out by lightning while using a telephone in a watchbox in Wilmington yesterday. William Duncan, a flagman, also was knocked down by the same bolt, but was not injured. When he attempted to lift Hooten to his feet Hooten was again knocked down by the electricity still in his body.

**A Remarkable Operation.**  
A surgical operation, said to have been but once before successfully paralleled in surgical history, is believed to have been accomplished in Chicago, saving the life of 15-year-old Edward Peltz, who had attempted to commit suicide. Peltz fired a bullet into his heart while despondent over loss of employment. With death impending at every tick of the watch, Dr. Carl Wagner, of St. Joseph's Hospital, placed six stitches in the bullet torn heart, effectually stopping the hemorrhage. The patient's condition is said at the hospital to warrant belief that he will recover. The bullet, which had pierced the lungs and passed through the heart, was found in the thoracic cavity and removed.

**Driven to Desperation.**  
Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, Cuts, Wounds, Ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25c at E. S. Leadbeater & Sons' drug store.

## The "Force" of Herpicide.

### NOTHING SUCCEEDS LIKE SUCCESS

Why is Newbro's Herpicide a success? Because it has the "Force" or capacity to produce an effect. What is the effect?

The destruction of the invisible, vine-like, microbic growth that lodges in the sebaceous glands of the hair follicles, where its growth and development causes dandruff, itching scalp, falling hair, and later, incurable baldness. Is Herpicide pleasant to use?

Clear as crystal Newbro's Herpicide is the daintiest, most delightful and refreshing application ever prepared for the scalp. It contains no oil, grease, sediment or dye matter. Careful people who now consider it a duty to use a scalp prophylactic, to insure cleanliness and freedom from dandruff contagion, prefer Newbro's Herpicide on account of its extreme purity, exquisite fragrance and refreshing quality. Ladies, in particular, become enthusiastic over it because it keeps the hair light and fluffy and gives it a silken gloss. STOPS ITCHING INSTANTLY.

## Chamberlain's Stomach and Liver

Tablets Better than a Doctor's Prescription.

Mr. J. W. Turner, of Truham, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. For sale by Richard Gibson and W. F. Creighton & Co.
